

VITA

DAVID T. R. BERRY

September, 2009

Personal Data

Date of Birth: April 3, 1958  
Place of Birth: Fairfield, California  
Marital Status: Married  
Work Address: Department of Psychology  
012D Kastle Hall  
University of Kentucky  
Lexington, KY  
40506-0044  
Work Phone: (859) 257-5451  
E-Mail Address: dtrb85@gmail.com

Education

9/76 - 9/79 B.A. Psychology  
Auburn University  
Auburn, AL  
9/79 - 9/81 M.A. Psychology  
Thesis: The role of Serotonin and  
Norepinephrine in Latent Inhibition  
University of Alabama - Birmingham  
Birmingham, AL  
9/81 - 8/85 Ph.D. Clinical Psychology  
Major Area: Clinical Neuropsychology  
Dissertation: Sleep apnea activity  
and its concomitants in a  
subclinical population  
University of Florida  
Gainesville, FL

Professional Experience

8/84 - 8/85	Clinical Psychology Intern Clinical Neuropsychology Track Department of Psychology Rush-Presbyterian-St. Luke's Medical Center Chicago, IL
8/85 - 6/90	Assistant Professor
7/90 - 6/97	Associate Professor
7/97 - present	Professor Department of Psychology University of Kentucky
7/87 - present	Licensed Psychologist # 619 Health Service Provider Commonwealth of Kentucky
4/88 - present	Private Practice Clinical Neuropsychology Lexington, KY
4/89 - present	Coordinator of Neuropsychology Concentration Department of Psychology University of Kentucky
1/91 - 1/96	Director of Clinical Training Program Department of Psychology University of Kentucky
1/93 - 1/96	Neuropsychology Consultant
8/99 - 6/03	Cardinal Hill Rehabilitation Hospital
9/04 - 2/07	Lexington, KY
1/09 - present	Neuropsychology Consultant Eastern State Hospital Lexington, KY
6/02 - present	Director of Graduate Studies Department of Psychology University of Kentucky

Honorary & Professional Organizations

Fellow:	National Academy of Neuropsychology
Member:	American Psychological Association International Neuropsychological Society National Academy of Neuropsychology Society for Personality Assessment Kentucky Psychological Association

Professional Service

American Psychological Association Site Visitor:  
 Kent State University  
 University of North Texas  
 University of Kansas  
 University of British Columbia  
 Purdue University  
 State University of New York - Buffalo  
 Fairleigh Dickinson University  
 University of Colorado - Boulder  
 Virginia Tech University (Chair)  
 University of Kansas (Chair)  
 University of Maryland (Chair)

Supervision: Kentucky State Board of Psychology mandated supervision for disciplined psychologists

Interests

Clinical: Neuropsychological Assessment  
 Forensic Neuropsychology  
 Traumatic Brain Injury  
 Somatoform Disorders  
 Research: MMPI-2 & Response Sets  
 Malingering

Editorial Activity

Section Head: Psychology in Law (2009-present)  
 Consulting Editor: Journal of Personality Assessment (2002-present)  
Assessment (2002-present)  
The Clinical Neuropsychologist (2002-present)  
Journal of Forensic Neuropsychology (2003-2006)  
Psychological Assessment (1993-2001, 2008)  
 Ad Hoc Reviews: Behavioral Sciences and the Law  
Journal of the International Neuropsychological Society  
Oxford University Press  
University of Minnesota Press

Teaching Activity

Graduate: Introduction to Clinical Neuropsychology  
 Advanced Clinical Neuropsychology  
 Clinical Personality Assessment  
 Undergraduate: Psychological Testing  
 Abnormal Psychology

University Service

College of Arts & Science Promotion & Tenure Advisory Committee  
 2006-7, 2007-8 (Chair), 2008-9 (Chair)  
 College of Arts & Sciences Undergraduate Scholarship Committee  
 2007, 2008, 2009  
 Departmental Review Committee - Behavioral Sciences  
 2008  
 Institutional Review Board - Nonmedical Committee  
 2004 - present; Vice Chair 2009 - present  
 Graduate Council - Graduate School 2008 - present

Graduate Student Research Mentoring (Chair)**THESES**

2008 - Anne Shandera	Cross-validation of a test battery for use in the detection of malingered Mental Retardation
2006 - Lili O. Graue	Detection of Malingered Mental Retardation
- Yvonne R. Alwes	The Utility of the Structured Inventory of Malingered Symptomatology as a Screen for the Feigning of Neurocognitive Deficit and Psychopathology in a Civil Forensic Sample
- Jessica A. Clark	Validation of the Miller Forensic Assessment of Symptoms Test in a Civil Forensic Population
2004 - Myriam Sollman	Operating Characteristics of the Letter Memory Test in Malingering and Honest Compensation-Seeking Outpatients
2003 - Raymond Baser	Detecting Psychiatric Malingering
- Victoria Vagnini	Utility of the FBS Scale in Detecting Neurocognitive Malingering
2001 - Chantel Dearth	Detection of Malingered Head Injury with the MMPI-2: An Analog Study
2000 - Dona Cragar	Motivational Testing As a Tool in the Diagnosis of Pseudoseizures
1998 - Stephen Orey	The Effects of Motivational Differences on Neuropsychological

- 1997 - Suzanne Drungle      Testing: An Empirical Analysis  
Behavioral Disturbances in Persons  
with Alzheimer's Disease as  
Predictors of Caregiver Depression
- 1996 - Tina Hanlon Inman      Detection of Malingering of Closed  
Head Injury using Three Motivational  
Tests
- Monica Malcein      Cognitive and Behavioral Components  
of Affect Recognition in Normal  
Aging and Alzheimer's Disease
- Chad Vickery      Validation of a New Motivational Test  
in a Community Sample
- 1995 - Michelle Raguet      Reliability and Stability of  
Intelligence and Intellectual  
Predictors in Older Persons
- 1994 - Robert Gallen      VRIN, F, back F, and Blocked Data as  
Predictors of Valid and Clinically  
Interpretable MMPI-2 Protocols
- Derek Campbell      Comparison of Three Methods of  
Estimating IQ in Normal Older  
Persons
- 1992 - Gordon Carpenter      The Effect of Administration  
Variables on Rey Osterreith Complex  
Figure Performance
- 1991 - Susan Corrigan      Prediction of IQ in Normal Older  
Persons: A Comparison of Two Methods
- 1990 - Anthony Arita      Sleep Apnea Syndrome: Diagnostic  
Features in Middle-Aged & Geriatric  
Patients

**DISSERTATIONS**

- 2009 - Karen Derefinko Using the FFM to Understand and Integrate the Deficits of Psychopathy
- 2009 - Michelle Estis Effect of Comorbidity on the Performance of Children with ADHD on the Conners' Continuous Performance Test
- 2008 - Myriam Sollman Detection of Feigned ADHD in College Students
- 2007 - Victoria Vagnini Applying Reaction Time and Event-Related Potential Measures to Detect Malingered Neurocognitive Deficit
- 2006 - Chantel Dearth Cross-Validation of Malingering Tests for Adolescent Forensic Evaluations
- 2005 - Jason Rinaldo Application of Item Response Theory to Psychiatric Feigning Scales
- 2003 - Dona Cragar Investigation of the Relative Relationships of Neurological Status and Psychopathology to Neuropsychological Test Findings in Epilepsy and Psychogenic Non-Epileptic Seizure Patients
- 2001 - Chad Vickery Effectiveness of Malingering Tests in a Head Injured Sample: An Analogue Study
- Stephen Orey Methodological Factors in Dissimulation Research: An Exploration of Two Issues
- 2000 - Jason Lewis Detection of Malingering in a Forensic Population: Utility of the Structured Inventory of Malingered Symptoms
- 1999 - Kim Hooks Validity of 99m Technetium SPECT in Predicting the Presence and Laterality of Traumatic Brain Injury
- Michelle Zak The Impact of Post-Stroke Aphasia and Accompanying Neuropsychological Deficits on Caregiving Spouses and Marriage

- 1998 - Derek Campbell      Neuropsychological Validation of Adult  
Attention Deficit Disorder
- Tina Hanlon Inman      Detecting Malingering in Neuro-  
psychological Assessment: A Head-  
Injured Sample
- 1995 - Donald Crowe      MMPI-2 Content Scales as Predictors  
Outcome in a Chronic Pain Treatment  
Program
- 1992 - David Lamb      Malingering Closed Head Injury on  
the MMPI-2: Effect of Information  
About Symptoms and Validity Scales
- 1991 - Mindy Otis      Attitudes of Older Persons Toward  
Use of Mental Health Services
- 1989 - Joan Peoples      Attention Deficit Disorder as a  
Reflection of Frontal Lobe  
Dysfunction
