## **EDUCATION**

- 2004 Ph.D. The University of Georgia, Sociology.  
Dissertation: *Naltrexone in private substance abuse treatment Centers: Predictors of adoption and a categorical typology of adopters.*  
Committee: Drs. Paul Roman (Chair), Thomas McNulty, Martha Myers, and Jody Clay-Warner
- 2001 M.A. The University of Georgia, Sociology.  
Thesis: *The relationship between societal-level bonds and adolescent initiation of sexual activity: A test of Hirschi's social control theory.*  
Committee: Drs. Paul Roman (Chair), Dean Rojek, and Thomas McNulty
- 1998 B.A. University of Kentucky, Sociology and Psychology. (Magna Cum Laude).

## **PROFESSIONAL EXPERIENCE**

Assistant Professor, Department of Sociology, College of Arts & Sciences, University of Kentucky, Lexington, Kentucky. Joint appointment with the Department of Behavioral Science, Center on Drug and Alcohol Research, College of Medicine. August 2006 – Present.

Assistant Professor, Research Title Series, Department of Behavioral Science, Center on Drug and Alcohol Research, College of Medicine, University of Kentucky, Lexington, Kentucky. September 2004 – August 2006.

Pre-doctoral Trainee through the National Institute on Alcohol Abuse and Alcoholism (NIAAA), Center for Research on Behavioral Health and Human Services Delivery, Institute for Behavioral Research, The University of Georgia, Athens, Georgia. August 1999 – August 2003.

## RESEARCH GRANT SUPPORT

### Ongoing

R01 DA022967 Oser (PI) 2/1/08-1/31/13

*African American Female Drug Users: HIV, Health Disparities, & Criminality*

NIH/NIDA

The overall goal of this study is to understand how drug use and criminality are related to health disparities, particularly HIV, and service utilization among African American drug using women across criminal justice status (intensive correctional supervision - prison, community supervision - probation, and no supervision - community). \$2,623,927.

Role: Principal Investigator

K01 DA021309 Oser (PI) 7/15/07 -6/30/12

*Rural Drug Abuse Treatment: Organizations, Counselors, and Clients*

NIH/NIDA, Mentored Scientist Development Award (K01)

The primary goal of this project is to further develop Dr. Oser's productive academic research career by gaining additional training on rural populations and advanced statistical techniques. PDA-based data will be collected to examine the impact of clients' characteristics, the counselor context, and the treatment facilities' attributes on client-level behavioral treatment outcomes in both rural and urban areas. \$736,589.

Role: Principal Investigator

U01 DA016205 Leukefeld (PI) 9/1/08-8/31/013

*Central States Criminal Justice Drug Abuse Center 2 (CJ-DATS 2)*

NIH/NIDA

As one of NIDA's CJ-DATS 2 centers, the Central States Center will engage cross-site studies to develop and test systems-level models that integrate public health and public safety approaches for criminal-justice involved adults with drug abuse disorders. \$3,71250.

Role: Co-I

R01 DA024598 Havens (PI) 2/1/08-1/31/13

*Rural Drug Using Social Networks and HIV*

NIH/NIDA

The overall aim of this study is to examine the prevalence, incidence and risk factors for HIV and other blood borne infections such as hepatitis B (HBV) and hepatitis C (HCV) among rural drug users using social network analysis and multilevel modeling. \$2,680,745.

Role: Co-I

Knudsen (PI)

10/1/08-9/30/11

*Barriers to the Adoption of Pharmacotherapies in Publicly Funded Substance Abuse Treatment: Policy Barriers and Access to Physicians*

Robert Wood Johnson Foundation, SARP

The goal of this project is to examine the importance of two organizational-level factors (i.e., state policies and access to physicians) on the adoption of medications for the treatment of substance abuse in publicly funded substance abuse treatment organizations. \$356,851.

Role: Co-I

Staton-Tindall (PI)

10/30/07-03/31/09

*Health Care Needs of Offenders at Community Re-entry from Prison*

Commonwealth Collaborative Project, University of Kentucky Office of Engagement

This initiative will build upon a collaborative partnership between the University of Kentucky, Kentucky Department of Corrections, the Kentucky Office of Drug Control Policy, and the substance abuse treatment community to enhance service utilization for substance using offenders during the transition from prison to the community. \$10,000.

Role: Co-I

### **Completed**

R25 RR023304

Leukefeld (PI)

9/15/06-9/14/11

*"TRY-IT" Translating Research to Youth through Information Technology*

NCCR Science Education Partnership Award (SEPA) [R25]

This SEPA project is a combined Phase I development and a Phase II dissemination project designed to increase minority and underrepresented student knowledge and participation in biomedical science careers as well as interest in clinical trials research. \$1,337,509.

Role: Co-I

U01 DA016205

Leukefeld (PI)

9/30/02-8/31/08

*Central States Criminal Justice Drug Abuse Center*

NIH/NIDA

As one of NIDA's centers, the Central States Center engaged in cross-site studies designed to improve outcomes for offenders with substance use disorders during the transition from prison to the community. \$2,443,102.

Role: Co-I

MOD 4-68839

Oser (PI)

5/1/05-4/30/06

*Physician Assessment Project*

March of Dimes Foundation Chapter Community Grant

The goal of this project was to assess Obstetrician/Gynecologists' (OB/GYNs) and 4<sup>th</sup> year medical students' knowledge, attitudes, and opinions on perinatal substance use. \$24,702.

Role: Principal Investigator
