LEXINGTON, KENTUCKY 40506

THE EXECUTIVE VICE PRESIDENT

December 12, 1968

Dear Chairman Sears:

The Area Committee for the Extension Title Series needs to be constituted formally. Accordingly, the Council is requested to submit a panel of names from which appointments can be made.

I believe Dr. Garrigus, Dr. Street, and Dr. Corder are the remaining members of the informal committee that has been functioning.

Sincerely,

A. D. Albright
