Bankruptcy Period \_\_\_\_\_ through \_\_\_\_\_ GPA (2.0 required) \_\_\_\_\_

PLEASE NOTE: The bankruptcy period includes academic work earned at UK prior to readmission. GPA is the calculation of the grade point average since readmission.

### Senate Rule 5.4.1.4

- A. Undergraduate students who have been readmitted through the usual channels after an interruption of two or more years, and who have completed at least one semester or twelve hours with a grade point standing of 2.0 or better after readmission, may choose to have none of their previous University of Kentucky course work counted toward graduation and toward the computation of their grade point standing. The calculation of the grade point average after readmission begins with the semester of readmission.
- B. In addition, the dean of the student’s college may permit such a readmitted student who has elected not to count past work to receive credit for selected courses without including those grades in the computation of the student’s grade point standing.
- C. Part-time as well as full-time students can take advantage of the academic bankruptcy rule. Students need not have been originally suspended from the University to qualify for this option.
- D. A student who has completed at least twelve hours of work with a GPA of 2.0 or better would be eligible for academic bankruptcy even if she/he received an E in one or more of the courses.
- E. If a student has completed a degree and re-enrolls, she/he may not apply the academic bankruptcy rule to courses taken for the degree already completed.
