\* To be discussed with your academic advisor.

† Students who have taken at least 2 years of a language in high school can complete the A&S Foreign Language Requirement with 3 college semesters of a different language. Students choosing this option should replace the 4<sup>th</sup> semester of language with electives. Also note that if you take a foreign language placement exam, you may be exempt from 1 or more of the beginning semesters of that language. In this case, replace the by-passed language courses with electives. Any language sequence may be used to satisfy the foreign language requirements.

^ ANT 582 is offered in both Fall and Spring Semesters.

♦ Additional Natural Science electives may be required to reach the required minimum of 60 hours. Consider pursuing a 2<sup>nd</sup> major or minor.
