- Students transferring to English at the Junior level are assumed to have taken some of their UK Core and A&S requirements, including Composition and Communication 1 and 2. This map covers all requirements for the English major and leaves some room for remaining requirements and electives. Juniors and seniors need to complete 39 credit hours at the 300+ level.
- 6 hours of 'free' electives - that do not count toward any other requirement - must be taken. Additional electives may be required to reach the required minimum of 120 hours.
- Major Elective credit at the 200 level is restricted to: two additional ENG Historical Surveys that are not counted toward the Historical Survey requirement; plus two of the following: ENG 207, ENG/LIN 221, ENG 260, ENG 280, and ENG 290. Otherwise English electives must be at the 300-500 level.
