- ⌘ Students who have taken at least 2 years of a language in high school can complete the A&S Foreign Language Requirement with 3 college semesters of a different language. Also note that if you take a foreign language placement exam, you may be exempt from 1 or more of the beginning semesters of that language. In this case, replace the by-passed language courses with electives. Any language sequence may be used to satisfy the foreign language requirements - French, German, Greek, or Latin is recommended.
- ^ Counted toward 60 credit hours in the physical, biological and/or mathematical sciences.
- ◇ 6 hours of 'free' electives - that do not count toward any other requirement - must be taken. Additional electives may be required to reach the required minimum of 120 hours. Consider pursuing a 2nd major or minor.
- ✓ Two courses must be completed from the following: ENG 401, ENG 405, ENG 407, ENG 440G, ENG 450G, ENG 470G, ENG 480G, ENG 490G, ENG 491G, ENG 492G, ENG 495. At least one course must be selected from ENG 440G through ENG 495. No more than one course may be selected from ENG 401, ENG 405, and ENG 407.
- Many People, One Community: The college of Arts & Sciences requires its students to complete an approved course related to Many People, One Community.
