**Notes:**
- ‡ Incoming Students are strongly encouraged to take WRD 112 to fulfill the CC1 and CC2 requirements if they have any of the following: an ACT English score of 32 or Higher, an SAT Verbal score of 720 or Higher, or an AP English Composition score of 4 or 5. If the student has been accepted into the University Honors Program, the student is required to take WRD 112 to fulfill CC1 and CC2.
- * To be discussed with your academic advisor.
- ‡ Students who have taken at least 2 years of a language in high school can complete the A&S Foreign Language Requirement with 3 college semesters of a different language. Students choosing this option should replace the 4th semester of language with electives. Also note that if you take a foreign language placement exam, you may be exempt from 1 or more of the beginning semesters of that language. In this case, replace the by-passed language courses with electives. Any language sequence may be used to satisfy the foreign language requirements.
- ◊ 6 hours of ‘free’ electives - that do not count toward any other requirement - must be taken. Additional electives may be required to reach the required minimum of 120 hours. Consider pursuing a 2nd major or minor.
- § The History pre-major requires one pair of courses - HIS 104/HIS 105 or HIS 108/109, which can be used, in turn, to complete UK Core Requirements (as noted above). Beyond these sequences, the History Department is willing to substitute other 100-level history courses to fulfill the pre-major sequence (e.g., HIS 112, HIS 119, HIS 121, HIS 122, UKC 180, etc.). Please consult with the DUS in History to arrange for exceptions. Regardless of sequence or substitutions, students can only count up to 6 hours of history at the 100-level towards the major. If a student already has 6 hours of history at the 100-level (including AP courses), they should enroll directly in relevant 200+ level courses. For questions, please consult the History DUS.
