

US Culture and Business Practices - B.A.

College of **Arts and Sciences**

A US Culture and Business Practices degree allows students to complete an interdisciplinary program of study that draws together rich training in the history, politics, arts, and culture of the United States with significant training in Business. Students will develop the breadth of knowledge indicative of a liberal arts education. Students will enhance critical thinking and writing skills, develop communication and other "soft skills," and hone problem-solving strategies.
